BIOGRAPHY

Asni Saad is an experienced lecturer and academic leader with over 10 years of experience in accounting, auditing and higher education. She has taught various accounting, auditing, management accounting and business subjects, and has extensive experience in curriculum development, academic planning, quality assurance and student development. She has also held academic leadership roles, managing academic programmes, coordinating academic operations and supporting accreditation and quality assurance activities. Prior to entering academia, Asni gained professional auditing experience with internationally recognized accounting firms in Kuala Lumpur, building a strong foundation in auditing, financial reporting, internal controls and professional practice. Her teaching and academic interests include accounting, auditing, forensic accounting, financial management and business. Passionate about meaningful learning and continuous development, Asni is committed to empowering students with the knowledge, critical thinking and practical skills needed to succeed in their future careers.
