University of Lincoln

BIOGRAPHY

Jenny has been active in the higher education industry over the past 15 years at various institutions in Singapore, Malaysia, and Indonesia. She also has industrial experiences in the manufacturing, retail, and other service industries. Equipped with an MBA, Bachelor of Management, and teaching/training qualifications (ACTA, ADTHE, and Train the Trainer), she can deliver both conceptual and practical learning experiences to the students. With her strong interpersonal skill and diverse cultural experiences, she is also able to build good learning relationships with both local and international students.
