BIOGRAPHY

Ms. Kanegishweri Mohana Das is a seasoned accounting professional with over 20 years of industry expertise across Big 4 firms, shipping, media, and other sectors. She holds a Master's in Professional Accountancy and has also completed a FlexiMasters in Business AI and Technology at Nanyang Technological University (NTU). Currently, she is pursuing a Doctorate in Business Administration (DBA) in Accounting and Analytics. An accomplished author, she wrote *Everything About POA*, a comprehensive accounting book. With more than 18 years of teaching experience, Ms. Das has taught subjects ranging from secondary-level accounts to undergraduate programs at institutions such as Kaplan, PSB, and Embry-Riddle University. In addition to her academic and professional achievements, she runs her own accounting firm and leads a non-profit organization.
